NOTES REGARDING OUR CLEANING SERVICE

BOND BACK GUARANTEE

With 6,000+ bond cleans completed, we know how to meet agent or owner expectations and help you get your bond back. Book early to allow time for removal issues and inspections, and let us know of any special lease requirements. With clear communication and proper planning, we'll have your property ready for a smooth inspection.

WHAT'S NOT INCLUDED

- Chandelier
- Light bulbs
- Fly screens (can be included upon request at an additional cost)
- Fireplaces or biohazard (e.g blood, faeces, excessive mold)
- Silicone or grout remediation
- Removal of mineral deposits (e.g toilet bowl stains, hard water stains)
- Removal of pet hair embedded deep in carpet fibres
- Picture rails, stickers, adhesive hooks
- High-reach areas
- Rubbish bin cleaning
- Shifting or rearranging of furniture
- Pet odeour treatment
- Cleaning under or behind large furniture or appliances
- Dishwashing or putting away kitchen items
- Any tasks that may result in damage to the property
- Deep stain removal that requires professional third-party intervention
- We do not guarantee stains removal (including stained grout or silicon)
- Major mould cleaning (can be included upon request at an additional cost)

BOND BACK GUARANTEE

We take full responsibility for all areas included in your original booking and coordinate directly with your agent to ensure everything meets inspection standards. If any item we cleaned is flagged, please send us the inspection report as soon as possible. Once we receive it, we'll arrange a free re-clean within 48 to 72 hours. This guarantee only covers the service included in your original booking. Any additional areas can be cleaned at our standard rates.

TILES AND GROUT CLEANING

Please be advised that although manual scrubbing of tiled surfaces is included in our bond cleaning service, we do not guarantee the removal of deep-set stains, mould, or discolouration in grout or silicon. These issues often require specialised treatments and multiple visits, and may not be fully removed during a standard bond clean.
